

DERMACON Hyderabad 2024

Theme - Skinception to Skinnovation

22nd to 25th February, 2024
HICC & HITEX Exhibition Centre

52nd National Conference of Indian Association of Dermatologists, Venereologists & Leprologists

Yadagirigutta Lakshmi
Narasimha Swamy Temple

2nd Announcement

Organized by IADVL Telangana
www.dermacon2024hyderabad.com

Greetings from Team Telangana

Dear Friends,

The 52nd National Conference of Indian Association of Dermatologists, Venereologists and Leprologists, DERMACON 2024 will be held from 22nd to 25th February 2024 at Hyderabad.

We invite you all to DERMACON 2024 with immense pleasure, honour and humility.

We profusely thank you for the great trust you bestowed on us to host the prestigious event, DERMACON 2024

We envision a conference rich in scientific content, encompassing the latest advances, blending the interesting and the informative content in the field of Dermatology, Venereology and Leprosy, Aesthetics and Dermatotomy. The theme of the conference is "Skinception to Skinnovation". In line with the theme, we planned sessions suitable to academicians and practitioners alike. Our conference aims to impart knowledge in such a way that it is useful to delegates in both academics and practice.

Telangana, a budding state was born on 2nd June 2014 as the 29th and youngest state in the union of India. It has a glorious history with rich culture and heritage of more than two thousand five hundred years. Artisanry and tool-making was the pioneering profession for more than two thousand years in Telangana. The existence of Asmaka Janapada, one of the 16 Janapadas of Ancient India proves the advanced stage of society of Telangana.

Hyderabad is the capital of Telangana and is 5th largest city in India. Hyderabad is well known as the city of pearls. This cosmopolitan city is endowed with a variety of cultures. The city presents an attractive amalgam of old-world charm together with the new world of technology. Its historic sites include Charminar, Golconda Fort, Mecca Masjid, Durgam Cheruvu Cable Bridge, Hitech City, Tankbund, Hussainsagar Boating & Buddha Statue, Necklace Road, Taramati Baradari, Nehru Zoological park, Salarjung museum, Birla mandir, Samata Murthy, Lumbini park, Ambedkar Statue and Ramoji film city.

For the same reasons Hyderabad was declared as Second-Best Place in The World in 2015, according to an international travel publication, in annual guide of "Traveller" magazine of National Geographic.

We are taking all the initiatives to attract the delegates so that they can also enjoy site seeing in addition to excellent academics, also which will increase the attendees of conference.

Hyderabad is well connected by Air, Rail and Road and its easy to access. There are plenty of luxurious hotels which offer comfortable and pleasant stay.

HICC and HITEX trade and exhibition centre, the venues have all the facilities to hold a conference of this magnitude.

You have a whole team of Telangana rallying around Hyderabad to give their very best to make your experience of DERMACON 2024 cherishable and memorable.

Looking forward to seeing you all in Hyderabad

Warm Regards

Organizing Team Telangana

Dr. Putta Srinivas
Organizing Chairman

Dr. Angoori Gnaneshwar Rao
Organizing Secretary

Dr. G. Netha Narsimha Rao
Treasurer

Dr. D.V.S. Pratap
Scientific Chairman

MESSAGE

Dear IADVlites,

Greetings to one and all.

I am very excited that DERMACON 2024 would be held at Hyderabad, which in itself makes an interesting historical city.

The venue is great and the organizing team is well experienced and cordial.

A grand scientific feast is waiting for all of us.

I wish the team a grand success.

Let's participate in the celebration by team @Hyderabad!

A handwritten signature in black ink, appearing to read 'Vijay P. Zawar'.

Dr. Vijay P. Zawar
President

MESSAGE

"A City of pearls, a city of happiness, a city of brotherhood, and a city of beautiful people"

Well, that is the city of Hyderabad for us and I welcome you to Dermacon 2024 Hyderabad

The dermatology fraternity of Telangana which hosted many conferences of national and international repute. Once again beacons us with a rich scientific program, delectable cuisine, scintillating cultural events and yes impeccable hospitality at Dermacon 2024 Hyderabad.

The Organizing Chairperson Dr. Putta Srinivas, Organizing Secretary Dr. Angoori Gnaneshwar Rao, Scientific Chairperson Dr. D.V.S. Pratap, and Treasurer Dr. G. Narsimha Rao Netha have planned a conference which promises to be upto date with latest technology and a memorable event for IADVL ites for years to come

Let us learn, rejoice and celebrate dermatology!

Long live IADVL!

A handwritten signature in black ink, appearing to read "Dr. Dinesh Kumar Devaraj".

Dr. Dinesh Kumar Devaraj
Hon. Secretary-General
IADVL 2022-2024

MESSAGE

Dear Colleagues,

It is my great pleasure to welcome and invite you all to the upcoming Dermatology Conference, DERMACON 2024 at Hyderabad. As the Organizing Chairman of this prestigious event, I am thrilled to be a part of this wonderful opportunity to Exchange Knowledge, Ideas, and Experiences in the field of Dermatology.

The field of Dermatology has made significant strides in recent years, and DERMACON 2024 promises to be a Dynamic Platform for discussing the latest developments in Diagnosis, Treatment, and Research. Our aim is to provide a forum for dermatologists, researchers, and practitioners from around the world to come together and share their insights and expertise.

Over the course of this conference, we have planned a diverse range of Keynote Speeches, Panel Discussions, Workshops, And Scientific Sessions to ensure that our delegates are exposed to a wide variety of topics and perspectives. We are confident that this conference will not only enrich our knowledge but also help us forge new Collaborations and Connections.

Hyderabad is a true cosmopolitan city, with a plethora of site seeing places, like recently added Statue of Equality, Cable bridge-Durgam Cheruvu, Necklace Road-Tank bund, Ramoji Film City, and Historical Charminar, Mecca Masjid, Golconda Fort, Salar-Jung Museum.

Telangana state is an abode of famous Yadadri Laxmi Narasimha Swamy Temple, Ramappa Temple, a UNESCO World Heritage Site and Bhadrachalam Sri Rama Temple, all of these are Tourism lovers' delights

Hyderabad is the Second-Best Place in The World that one should see in 2015, according to an international travel publication, in annual guide of "Traveller" magazine of National Geographic

Lastly, I would like to extend my warmest welcome to all of you. DERMACON 2006 held in Hyderabad was a turning point in the history of IADVL not only for excellency in academics, cultural extravaganza and delicious Hyderabadi cuisine but also for creation of a phenomenal record of huge financial savings.

With such excellent past track record, we are making all efforts to make DERMACON 2024, also a memorable one. Your esteemed presence and participation will make this conference truly exceptional. I look forward to meeting you all in DERMACON 2024.

Thank you and see you at DERMACON 2024!

A handwritten signature in black ink, appearing to read 'Putta Srinivas'.

Dr. Putta Srinivas
Organizing Chairman

MESSAGE

Dear Fellow Colleagues,

It is my immense pleasure to extend a warm and hearty welcome to the much-awaited DERMACON 2024 conference. The stage is set, and the dates are locked - from the 22nd to 25th February 2024, the HICC and HITEX, two prominent venues in Hyderabad, are set to host an exciting gathering of the sharpest minds and most inquisitive personalities in the realm of dermatology.

DERMACON 2024 promises to be a feast for the senses, a melting pot of ideas, and a hub for collaboration. From sharing ground-breaking research to exchanging clinical pearls of wisdom, we guarantee that the conference will leave you Invigorated, Enlightened, and Connected.

The theme of conference is "**Skinception to Skinnovation**". The conference promises to be a unique and exciting exploration of the latest advancements and innovations in dermatology. The theme reflects the journey from the traditional approach of skinception, which is the perception of the skin as a static organ, to the new era of skinnovation, which involves dynamic and personalized approaches to patient care. With the advent of cutting-edge technologies and breakthrough research, the field of dermatology is rapidly evolving, and we believe that this theme perfectly encapsulates this transformation.

We urge you to seize the opportunity to learn, share, and grow. Explore the countless avenues that the conference provides, engage with fellow attendees, and immerse yourself in the vibrant atmosphere of learning and discovery.

In closing, we thank you for being a part of this exciting journey and eagerly await your arrival. Hyderabad beckons, and DERMACON 2024 awaits you with open arms.

A handwritten signature in black ink, appearing to read 'Angoori Gnaneshwar Rao', with a long horizontal flourish extending to the right.

Dr. Angoori Gnaneshwar Rao
Organizing Secretary

MESSAGE

Welcome to DERMACON 2024

As the Scientific Committee Chairperson, it is my pleasure and privilege to introduce the theme of our conference **"Skinception to Skinnovation"**.

We have witnessed tremendous changes and rapid developments in the field of dermatology in the last many years. To keep up to date is a continuous process of learning: Current trends in clinical practise, diagnosis and treatment methods are being incorporated in our CMEs and Workshops. Deliberations by experts will enrich your knowledge by sharing their experiences. We have focussed our attention on improving the knowledge of practitioners to benefit the patients.

Our Scientific Committee members are striving to make the Scientific Programme interesting, educative and informative so that the delegates will benefit from the academic feast – the spirit of skinnovation.

You get to meet colleagues and friends while your family will enjoy the beautiful sites fast growing in Hyderabad and more importantly the famous Hyderabad delicacies. We hope each and everyone of your carries back sweet memories of your stay here.

Thank you all for joining us on this journey of exploration. We trust it will help you in your academic life and future endeavours.

Dr. D.V.S. Pratap
Scientific Chairman

MESSAGE

Dear Esteemed Participants,

Greetings from the vibrant city of Hyderabad!

It is with great pleasure that we extend a warm welcome to all participants of the DERMACON 2024 taking place in this historic city. Your presence adds immense value to this gathering of dermatologists, researchers, and professionals who are passionate about advancing the field of dermatology.

Hyderabad, known for its rich history and culture, is honoured to host this gathering of minds dedicated to the science and art of dermatology. Over the next [4 days], we anticipate an enriching exchange of knowledge, insights, and innovations that will undoubtedly shape the future of dermatological care.

The conference program has been thoughtfully curated to cover a spectrum of topics, ranging from the latest advancements in dermatological research to practical insights into patient care. We have esteemed speakers and experts who will share their expertise, providing a platform for dynamic discussions and collaborative learning.

As you immerse yourselves in the world of dermatology, we encourage you to also explore the unique charm of Hyderabad during your stay. Our city's blend of tradition and modernity offers an unforgettable backdrop for this important event.

On behalf of the organizing committee, I extend our sincere appreciation to each participant, sponsor, and contributor for making this conference possible.

May your experience in Hyderabad be both professionally rewarding and personally enriching. We look forward to the valuable contributions and interactions that will make this Dermatology Conference a resounding success.

Welcome to Hyderabad, and welcome to an exciting journey of dermatological exploration!

Conference Highlights

The conference will bring together

- 8000 National and International Delegates
- 15 International & 400 National Faculty
- Well planned workshop on Dermatotomy, Aesthetic Dermatology, Lasers and other procedural Dermatology
- Well planned plenary, Orations, Symposia, Guest lectures, Debates, National quiz, Award papers, free communications and e-posters
- 100 Industry participation from reputed pharmaceutical companies and laser device
- Exclusive co-delegate area with all the facilities
- Two Banquet dinners with cultural activities and celebrity performance with different themes (State and National)
- Culinary feast to all the Delegates and Co-Delegates

CME's Highlights

6 CME's Session back to back with interesting topics

- Allergy & Urticaria
- Biologics and Small Molecules
- Trichology
- Blistering Disorders
- Practical Dermatology
- Pigmentary disorders

'Tallest' Ambedkar Statue

Workshop Highlights

15 parallel workshops from morning to evening on topics

- Lasers and I P L
- Botulinum Toxin
- Basic Dermatosurgery
- Dermoscopy
- Hair Transplantation
- Chemical Peels
- P R P, P R F, Threads
- Nail Surgery
- Regenerative Medicine
- Liposuction, Fat Transfer
- Energy Based Devices
- Fillers
- Vitiligo Surgery
- Medical Photography
- Cryolipolysis, Microwave for Hyperhidrosis

Warangal Fort

Key Scientific Sessions with topics

Drug Reactions	SIG NTD
Lichen Planus	SIG Dermoscopy
Pilosebaceous Disorders	Camouflage
Biologics & Small Molecules	Eczema & ACD
Psoriasis	PRP / PRF
Drug Therapy In Special Situations	What Is New In Dermatology, Venereology & Leprosy?
STI	Hair
Photodermatoses	Immunobullous Disorders
Investigative Dermatology	Malignancy
HIV	Neonatal Dermatology
Practice Management	Chemical Peels
Anesthesia In Dermatology	Geriatric Dermatology
Pigmentary Diseases	Teledermatology
Guidelines In Dermatology	Botanical Dermatology
Dermatopathology	Approach To Genodermatoses
Drug Reactions	Hyperhidrosis
CTD	Young Dermatology Forum
Lasers & Energy Based Devices	Vitiligo
SIG Dermatopathology	Dermatophytoses
Leprosy	Vascular & Pigmentary Naevi
Nail Disorders	Dermatotherapeutics
Interspecialty	NRC
Data Management	Botox & Fillers
Microbiome	AN
Pigmentary Disorders	Dermatoses In Pregnancy
Cosmeceuticals	Dermatology In Internal Medicine
ACAD	Vasculitis & Leg Ulcers
Biologics & Small Molecules	Covid & Dermatology
Urticaria / Pruritus	Psycho Dermatology
Reactive And Inflammatory Dermatoses	Pot Pourri Session
Armed Forces Dermatology Group (AFDG)	Topical Immunomodulators
Granulomatous Disorders	Artificial Intelligence
SIG DCR	Metabolic Disorders
Paediatric Dermatology	Herpes Virus Infection
Acopic Dermatitis	Purpura
PG Thesis Based Award Papers	Gene Therapy / Imaging Techniques

About Dermacon 2024 Host City “Hyderabad”

In 1950 the princely state became the state of Hyderabad in the Indian union. In 1956 the state was split up: its Telugu-speaking areas (the Telangana region) were combined with what was then Andhra state to form Andhra Pradesh, with Hyderabad as the capital. Discontent grew, however, among the people of Telangana, who insisted that the region should become a separate state. Following protracted negotiations—particularly about the disposition of Hyderabad—and after receiving approval for the split from the Indian parliament, Telangana was formed in 2014.

Hyderabad (Urban) District in its present shape has come into existence in August, 1978 consequent on formation of a new District, Ranga Reddy from the erstwhile Hyderabad District. All the rural areas of erst-while Hyderabad District have been included in Ranga Reddy District, while the area of Municipal Corporation of Hyderabad (Excluding a small part), Secunderabad Cantonment, Lalaguda and Osmania University are included in Hyderabad District. There are 64 villages in the District and they are grouped into erstwhile talukas, Viz., Charminar, Golconda, Musheerabad and Secunderabad.

Hyderabad is the capital of one of the most techno savvy state in India, Telangana. The previous name of this city was Bagyanagaram. This city is also called the 'City of Pearls' because of the major dealing of pearls that is done from this part of the state. Hyderabad was founded in 1591 and planned as a grid with the Charminar at its centre. It has now grown well beyond the confines of the original walled city, to include a new town north of the Musi river, the Military Cantonment at Secunderabad and a burgeoning high-tech Estate, nicknamed “Cyberabad”.

Mecca Masjid, Charminar, Golconda Fort, QutubShahi Tombs, Paigah Tombs are some of the historic structures. There are many other structures like Falaknuma Palace, Chowmohalla Palace, Taramati Baradari etc., which are quite famous attracting tourists from all over. Birla Mandir, Jagannath temple, Salarjung Museum, Mahankali temple, Hussain Sagar Lake, Mir Alam Tank, Nehru Zoological Park, KBR Park , Mrugavani National Park, are some of the other major tourist attractions.

Places To Visit In Hyderabad

The Charminar

Charminar is a historical monument and an iconic symbol of Hyderabad, located in the heart of the old city. It was built in 1591 by Muhammad Quli Qutub Shah, the fifth Sultan of the Qutub Shahi dynasty. The structure is a masterpiece of Islamic architecture and features four towering minarets, each approximately 56 meters high. The minarets are adorned with intricate designs and carvings and are connected by a series of arched balconies.

Ramoji Film City

Ramoji Film City is a popular film studio and tourist attraction located in Hyderabad. It was built by Ramoji Rao, a film producer and media entrepreneur, in 1996. The film city is spread over an area of 2000 acres and is one of the largest film studios in the world. The film city has several film sets, studios, and sound stages, which are used for shooting movies and television

shows. You can take a tour of the film city and explore the various sets and studios, including a replica of the Mughal Gardens, Hollywood Lane, and a Japanese Garden. There are also live shows, dance performances, and stunt shows that are held throughout the day. In addition to film-related activities, Ramoji Film City also has several recreational facilities, such as amusement parks, shopping centers, and restaurants. The amusement park has several rides and attractions, including a roller coaster, a Ferris wheel, and a train ride. The shopping center has a wide variety of souvenirs, clothing, and jewelry.

Places To Visit In Hyderabad

Hussain Sagar Lake

If you are looking for a quiet and calm evening in Hyderabad, you must visit the Hussain Sagar Lake! Built by Hazrat Hussain Shah Wali in the year 1562, it was once the primary water source to the city and now serves as an important tourist destination as well as a major sailing destination in the country. Enjoying the beauty of this lake and its magnificent view is something that should not be missed by any tourist of Hyderabad. Within the lake, there stands a 32ft high state of Gautam Buddha that enhances the charm and appeal of the lake.

Mecca Masjid

The mosque is one of the oldest and largest mosques in India. The construction of the mosque began in 1614 during the reign of Sultan Muhammad Quli Qutb Shah, the fifth ruler of the Qutb Shahi dynasty, and it was completed in 1694 by Mughal Emperor Aurangzeb. The mosque was built using granite and limestone, and it is famous for its large dome, which is made of a single piece of granite.

Statue Of Equality

The Statue of Equality is a monument that was built to honor the life and teachings of Ramanuja, a Hindu philosopher and theologian who lived in the 11th and 12th centuries. The statue is located in Hyderabad, India and was inaugurated on April 6th, 2019, by the Vice President of India, M. Venkaiah Naidu. The Statue of Equality stands at a height of 216 feet (66 meters) and is made of bronze. It depicts Ramanuja with his arms open, welcoming all people from all walks of life. The statue is surrounded by a sprawling complex that includes a museum, a library, an auditorium, and other facilities. The aim of the Statue of Equality is to spread the message of equality and inclusivity that was espoused by Ramanuja. He believed that all people, regardless of their caste, creed, or gender, were equal in the eyes of God. The statue serves as a reminder of this message and encourages people to work towards building a more just and equitable society.
